Workshops

Eucharist and The Challenges of Social Sin

An opportunity to reflect on the heart of human evil, the depths of structural injustice, the sins of society that result in our broken world. Come learn about the antidote for social sin -- our solidarity and interdependence with brothers and sisters.

Stan Fitzgerald - Ruben Solorio
(English & Spanish)

What Price for a Person?

Human Trafficking is modern-day slavery. We will look at this issue from global, national and local perspectives as well as what we can do combat this form of exploitation.

Sr. Caritas Foster, SHF - Spanish Speaker TBA
(English & Spanish)

Eucharist and Justice

We get the words right, and take, bless, break and share, don't we? So all must be well. Or is it? "Do this in remembrance of me." What is the "this" we are asked to do?

Fr. Christopher Bennett - Fr. Gerardo Menchaca
(English & Spanish)

Called to Discipleship in the World of Politics

What ballot issues will challenge you this election cycle? How can you bring the integrity of your faith to assist you in discerning the common good in the local, state, and national issues confronting you this election cycle? These are some of the questions to be explored in this workshop on Faithful Citizenship.

Sr. Elizabeth Avalos, BVM
(English)

Bank of America Story: An Opportunity for Solidarity

How does Catholic teaching on social justice relate to foreclosures and labor. This workshop will cover big bank divestment and just wages for laborers, even if undocumented.

Fr. Eddie Samaniego, SJ
(English & Spanish)

Workshops

How Green is My Parish?

Catholic Green Initiative – The Diocese at Work

We are called to be good stewards of all of God's creation and to contribute to a sustainable environment that keeps our planet healthy for generations to come. What are the issues? What are our parishes doing to lead us on this path? How is the diocese helping our parishes to become sustainable? This workshop will help participants to confront the issues and suggest a path towards solutions.

Catholic Green Initiative Education Committee
(English)

Scripture and Justice

Learn about Jesus' concerns over the social problems of his day and his commitment to those oppressed and marginalized by society.

Fr. Dave Mercer - Lupita Vital Cruz - Fr. Thao Nguyen, SJ
(English, Spanish, Vietnamese)

Youth Development and Gangs

Gangs are the places kids go when they've encountered their life as a misery — and misery loves company. Just keep kids infused with hope.
